8 oz. 12/cs

\$3.60 ea.

1 lb. 12/cs

\$6.70 ea.

5 lb. 6/cs

\$18.05 ea.

- ☐ **Stronger Eggshells:** Get 50x more calcium than mealworms with every peck to help strengthen eggshells and prevent egg binding. Get more cluck for your buck!
- ☐ **Healthier Feathers:** Grubbies are packed with protein for strong, healthy feathers. Essential when molting! Give a double serving to your molting hens to help them regrow their feathers, and regain normal levels of energy and egg output.
- ☐ **Better for Chickens and the Planet:** Grubbies are safely and sustainably harvested on FDA-approved grub farms. Never from China. Our all-natural grubs are also great for ducks, turkeys, quail and wild birds!
- ☐ **Delivers Daily Nutrients:** Protein, Calcium, Phosphorus, Methionine, Fiber, Lysine, and Dietary Fat. Unlike mealworms, Grubbies provide an optimal calcium to phosphorus ratio of 3:1 which means your birds will absorb the full nutrients without needing extra supplements like oyster shells and calcium dust. It's not a treat, it's a healthy snack they'll love!
- ☐ **Love to the Planet:** Grubbies World Harvest is a healthy, sustainable snack that gives back! With every pound of Grubbies harvested, 10 pounds of food waste is recycled, reducing the mountains of food waste that end up in landfills around the world every day.
